

OUR GUIDE TO FLOORING &  
CONSTRUCTION CHEMICALS FOR

# GENERAL MANUFACTURING

- A** **Roof**  
PolyLac Thermoshield
- B** **Storage Tanks**  
Aquapox / Enaqua Proshield
- C** **Electric Panel room**  
Floorguard ESD / AST
- D** **Storage/Warehouse**  
Floorguard EP HD / Polycrete RP 3000
- E** **Utilities/Maintenance**  
Floorguard RP / PolyLac GP
- F** **Production Shopfloor**  
Floorguard EP / Polycrete RP 3000
- G** **Offices**  
Polycrete RP 2000 / PolyLac GP
- H** **Entrance Foyer**  
PolyDec DC TZ
- I** **Car Park**  
PolyDec CP

OUR GUIDE TO FLOORING &  
CONSTRUCTION CHEMICALS FOR  
**PHARMACEUTICAL /  
F&B SECTOR**

- A** **Formulation Cleanrooms**  
Floorguard EP / Floorguard GR
- B** **Changing Rooms**  
Floorguard EP
- C** **Mixing/Blending rooms & Labs**  
Floorguard EP / Floorguard GR
- D** **Storage/Warehouse**  
Floorguard EP HD / Polycrete RP 3000
- E** **Car Park**  
PolyDec CP

# OUR GUIDE TO FLOORING & CONSTRUCTION CHEMICALS FOR HOTELS AND RESTAURANTS

- A Seating Area**  
Floorguard HD / Floorguard GR / PolyDec DC TZ
- B Toilets/WC**  
Aquapox WP + Floorguard GR
- C Kitchen**  
Polycrete RP 2000 / PolyDec DC / Epodec DC
- D Wooden Decks**  
Enaqua Proshield Clear / Polylac SP
- E Swimming Pool**  
Aquapox + Enaqua WP
- F Car Park**  
PolyDec CP
- G Roof / Terrace**  
Enaqua WPE + Polylac Thermoshield
- H Wall Coatings**  
Aquapox + Polylac Thermoshield

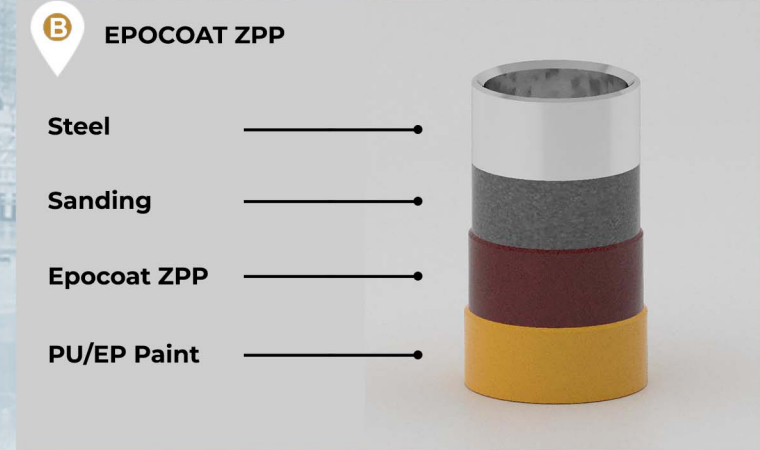

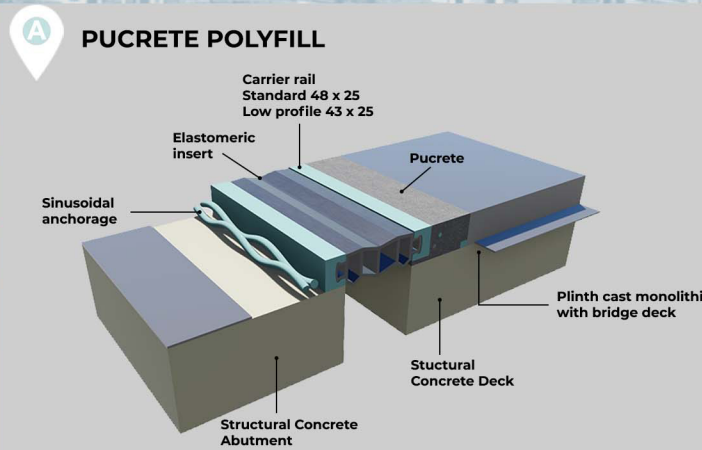

OUR GUIDE TO FLOORING &  
CONSTRUCTION CHEMICALS FOR  
**RESIDENTIAL  
SPACES**

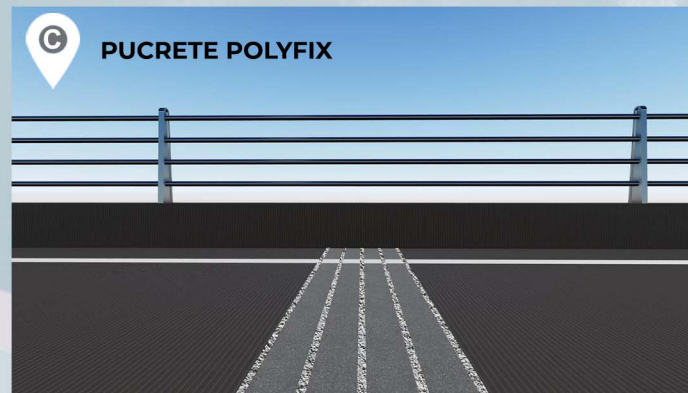

- A Living Room**  
PolyDec DC TZ / Floorguard GR / EpoDec DC
- B Kitchen**  
Polycrete RP 2000
- C Roof / Terrace**  
Enaqua WPE + Polylac Thermoshield
- D Wooden Decks**  
Enaqua Proshield Clear / Polylac SP
- E Swimming Pool**  
Aquapox + Enaqua WP
- F Wall Coatings**  
Aquapox + Enaqua Proshield UV
- G Car Park**  
PolyDec CP

# Construction & Related Areas

- A** PUCRETE POLYFILL
- B** EPOCOAT ZPP
- C** PUCRETE POLYFIX
- D** EPOLAC WD

# Product Nomenclature

## 01 Floorguard EP

General purpose Epoxy self levelling floor overlay with glossy surface finish.

## 02 Floorguard EP HD

Heavy duty Epoxy self levelling floor overlay with glossy surface finish.

## 03 Floorguard EP GR

Epoxy self levelling floor overlay with abrasion resistance, granular/decorative surface finish.

## 04 Floorguard ESD/AST

Epoxy self levelling floor overlay with either ESD or Anti-static floor conductivity.

## 05 EpoDec DC

Epoxy based mortar, polishable to mirror finish with Terrazzo like surface appearance.

## 06 PolyCrete RP 2000

PU-concrete self levelling floor overlay with a DFT of 2mm, matt-cementitious finish

## 07 PolyCrete RP 3000

PU-concrete self levelling floor overlay with a DFT of 3-4mm, matt-cementitious finish

## 08 PolyDec CP

PU-concrete floor overlay designed for car park floor needs, DFT 2-2.5mm

## 09 PolyDec DC TZ

PU-concrete mortar, polishable to mirror finish with a Terrazzo surface appearance.

## 10 PuCrete PolyFill

Flowable PU-concrete system for filling of construction expansion joints

## 11 PuCrete PolyFix

PU-concrete mortar designed for repairs and adhesion of Structural Expansion joints in bridges, railway tracks etc.

## 12 Polylac GP

General purpose, solvent based PU paint for line markings.

## 13 Poly lac SP

Solvent based PU paint for internal and external wall coatings

## 14 Epolac WD

Water-white, glossy Epoxy film coating for protection of wooden surfaces.

## 15 Enaqua Proshield Clear

Water based 2K PU clear coat with high film strength.

## 16 Enaqua Proshield PT

Water based 2K PU paint for floor & wall coatings and tank coatings; having anti-microbial, anti-fungal & UV stable properties

## 17 Aquapox

Water based Epoxy primer cum waterproofing solution for internal and external areas.

## 18 Enaqua Thermoshield

Solvent based heat reflective and insulating coating system for roofs and terraces.

## 19 Enaqua WP/WPE

PU based waterproofing system for internal and external application.

## 20 Epocoat ZPP

Zinc Phosphate based Epoxy primer for metal surfaces, with high anti-corrosive properties.
